What a way to start, this year's supreme Tullamore champion! This stylish two-year-old first calver certainly strikes a punch with her correctness, style and most important her ability to breed with her top-class bull at foot selling alongside her! Her breeding is equally impressive with Buster daughter now making u the bedrock of the herd while the Lady Faye line was imported from the Baronagh herd in Northern Ireland and includes Stirling champions in the breeding. The cherry on top she sells served to the high-performance Rawburn Boss Hogg on the 14th of August.

A daughter of Lisduff Buster who breeds for the fun of it with heifers topping at €15,200 in 2025. Her dam line includes three-time All-Ireland champion Rosemead Karona and when it takes into account she sells in calf to Lisnafanna Donagh B088 it adds even more to the package. Donagh is from the famous Duchess line and includes the in-demand Matteo and former All-Ireland champion Mogeely Dreamer in his pedigree

This two-year-old heifer has all the style in the world, and you'd expect nothing else given her power packed pedigree. Sired by the German import Azh Pasha who had bulls selling to €9,500 in 2025 and the dam line contains two of the breed greats in Netherton Flora B162 and Cudlobe Ellen Erica.

If that wasn't enough, she sells with her freshly born heifer calf at foot

Red Lennox has been the go too for first calvers due to his ability to give low birth weights with exceptional growth rates thereafter. This cross with Buster daughters completes the picture! Ranking a massive €196 on the replacements index her female line traces back to the well know Ethene line of the famous Dunlever herd. Theres not long to wait for this girl either as she is due in December

A twin to a heifer so perhaps not as forward as some of her contemporary group but pass her at your peril. Her sire stack is impeccable with Buster, Josh and Pal while the Davina line has lasted the test of time at Lisduff. This five star carcass confirmation animal again sells in calf to Lisnafanna Donagh with an expected calving date the 27th April.

Buster is a bull who has really left his mark at Lisduff and we think he'll leave even more of an impact with his daughters. Theres never been a bull here who can stamp his progeny quiet as well. Date B049 is a prime example of this and when you add in breeding like the three-time All-Ireland champion Rosemead Karona it leaves little to imagination. Will be scanned closer the sale.

We purchased Lisnafanna Donagh A088 to go back on this Buster daughters, to cement in that type and easy calving attributes they already carry. We think the resulting calf from Denya will be just that! A real natural heifer with style in abundance and an extra shot of power with lord Hugo in the back breeding.

Woodvale Dynamo was our pick of the young bulls on a visit to the Armour family’s herd in Northern Ireland. His first batch of calves have certainly impressed which is no surprise given he is a direct son of Delia X867. Cross this back on the feed efficiency of Bannockburn and the style of Jim Dandy and im sure youll appreciate this tall upstanding heifer as much as us! Due the 22nd March.

One of the first Dino daughters offered for sale and what a way to start! This heifer was first in Virginia on her first day out. Dino was a multi prize-winner at the shows including taking first place at the National livestock show. Her dam line is equally impressive with familiar names such Lord Hardy and Homeville Pal. Certainly one to keep an eye on!

Females from this line sold up to €8,000 at our Red Legacy sale last year and this young heifer has all the potential to breed the same. Sired by successful AI bull Red Mikado she is out of one of our previous sale's high sellers, Miss Mama that we purchased back as she goes back to Red Lindsay L744.

Another top-quality young heifer by Azh Pascha who sired calves to €9,500 in 2025. Her dam was a consistent breeder for us before heading away for export at €6,000. A real balanced soft heifer and certainly one to watch!

It's impressive to have the National champion in the sale but to have two is extraordinary. Red Tulip stood as overall male champion at this years Tullamore show when lot 1 stood as overall female. Red Tulip has all the attributes to make an exceptional stock sire, size, length, perfect feet and legs, excellent muscle pattern and a super head! Couple this with a page of stars and breed greats such as Paringa Iron Ore, Poundmaker and Berkley and it leaves little to chance.

A big powerful bull with
plenty of scope, exactly
what we've come to
expect from
Lerendezvous sons. With
the added bonus of Jim
Dandy and Kit on the
dams side you can really
see the quality shine
through.

What a pedigree here!
Sired by the high-performance bull
Retties Lerendevous
who was purchased at
the famous Stirling bull
sales. His dam is former
show cow Lisduff Beaty
Babe who was senior
champion at the All-Ireland in 2023.
Bandolier also boasts a
host of figures down
the line.
